

## **8.01 TRAINING FOR CONTRACTED DRUG AND ALCOHOL TREATMENT PROVIDERS**

The SCA is required to ensure adherence to the following training requirements.

All persons providing adult treatment services and their supervisors must complete the following courses:

- BDAP approved Pennsylvania Client Placement Criteria
- BDAP approved Practical Applications of PCPC criteria
- BDAP approved Confidentiality
- BDAP approved Practical Applications of Confidentiality Laws and Regulations

All persons providing adolescent treatment services and their supervisors must complete the following courses:

- Most recent edition of the ASAM Patient Placement Criteria
- BDAP approved Confidentiality
- BDAP approved Practical Applications of Confidentiality Laws and Regulations

Required courses must be completed within 365 days of hire. All training certificates must be available for review.

Individuals that completed Confidentiality and PCPC training courses prior to November 2003 are not required to take the related practical application courses.
